

IIA ELECTIONS 2023-2025 : CLARIFICATIONS

1. The election module (IIA-EM) is the one that is developed for IIA as per the requirements of the Institute.
2. The election module (IIA-EM) to be used for IIA Election 2023-25 is the one submitted to STQC and meeting all the Security requirements suggested by STQC for certification.
3. This fact was informed to the IIA Council and has its approval.
4. The IIA Election Module (IIA-EM) has been Certified by the STQC.
5. The STQC website mentions “Standardization Testing and Quality Certification (STQC) Directorate is an attached office of the Ministry of Electronics and Information Technology, Government of India, provides quality assurance services in the area of Electronics and IT through a countrywide network of laboratories and centers. The services include Testing, Calibration, IT & e-Governance, Training and Certification to public and private organizations. STQC laboratories are having National / International accreditation and recognition in the area of testing and calibration.”
6. All the Scrutineers have been appointed by the IIA Council and their integrity is established and known to all.
7. The passwords for the admin (including the e-Voting module) and the server will be handed over to the Scrutineers who will change these passwords and keep it in their custody until the election process is over.
8. The IIAEM shall be checked to be empty before placing an additional Password for the IIAEM.
9. These Passwords shall remain in the custody of the Scrutineers.
10. IIAEM shall again be locked under a secured password so that no one may tamper with it. The password shall be handed over to the Hon Secretary along with the report in sealed envelopes.
11. Under the circumstances, the Candidates and Members of IIA should remain confident that the election will be fair and free.
12. We all are working for IIA and love for Architecture. Let us be committed to the same. Please help each other to help the Institute Grow and stand upright in public.
