

IIA AWARDS FOR EXCELLENCE IN ARCHITECTURE 2016

The Most Prestigious National Award in the field of Architecture

Dear Members, after the unprecedented success of **IIA AWARDS 2015**, Indian Institute of Architects is happy to announce **IIA National Awards 2016** for honoring and showcasing the truly inspired works of excellence by our member architects

A distinguished jury panel of eminent Architects will assess the entries in two stages. First round will be of short listing of entries in each category on purely merit basis, and a second stage will be a grand jury, providing equal opportunity to shortlisted entries to present and explain their projects individually in person via presentations.

We are sure entries for this year's awards will break the record of 500+ received in 2015. Your innovative ideas will be more praiseworthy when recognized with fraternity.

So dear members, prepare your entries, maximum of up to **6 sheets of A3 size comprising not more than 10 MB**, and be ready to upload **ONLINE** on to our exclusive award website **www.iiawards.com**.
