

Steps to retrieve password for login in New IIA Website

We are giving below the steps suggested by the consultant E-Gov to retrieve password for login in New IIA Website

1. Go to website - indianinstituteofarchitects.com
2. Click the Login tab (last one, on the right side of the menu)
3. Click the words "*Forgot Password?*" that are written under the **Password** field
4. Say **Yes** to the information message that appears
5. In the new page that loads, enter email id in the **Email Id** field and click the "*Retrieve Password*" button. **The System will generate the password.**

Please remember that the above steps will only work for those members who have given their valid email id to IIA HO.
