

Challenge yourself and enter INSPIRELI AWARDS 2017 - International contest for young architects and students of architecture under the age of 35.

Why Enter?

- Be globally recognised for your talent and achievements.
- Have a unique opportunity to find architectural work or internship abroad.
- Be rewarded with INSPIRELI AWARDS Prizes & Benefits and receive the INSPIRELI ARCASIA Region Award.
- Each project will be showcased in the INSPIRELI AWARDS talent book.
- Respected experts from the INSPIRELI AWARDS jury (e.g. Toyo Ito, Japanese architect and the Pritzker Architecture Prize winner, Nikolaj Shumakov, Perret Prize winner) will provide feedback to your work.

How it Works?

- Enter your work in one of two categories: Vision (not built projects) and Realization (already built projects)
- Your project will be displayed in the INSPIRELI AWARDS competition gallery and visible to the jury as well as general and professional public.
- Voting is closed on January 31.2018 and the pre-selection of finalists for each category follows.
- The winners of the contest are selected by international professionals.
