

SPECIAL PROMOTIONAL OFFER!

Sign up to purchase ARES Commander (standalone perpetual license) for Rs. 57,750/- plus taxes, and get a Samsung or Lenovo 8" tablet for free with each license purchased!

All you need to do is visit Stall 8 at IIA NATCON 2017, see the **ARES Commander with Arch Assist** demo, and provide your business card. Your business card will also be entered for a lucky draw of a Samsung tablet at IIA NATCON 2017.

Graebert India will contact you and if you place your ARES Commander order before 27th December 2017, you will get a free Samsung tablet along with ARES Commander 2017 and a free 12 month subscription of ARES Touch - our award winning mobile CAD solution. You will also get to try out ARES Kudo - our unique cloud CAD solution, when it is released next year. That's not all! You get a free 12 month maintenance subscription with free updates, so when ARES Commander 2018 is released in a few months, you get that new version at no additional cost.
